**Problem**

You have just taken on a newspaper route and you have 45 papers that you have to deliver each morning. You get .09 per day for each paper you deliver, you deliver Monday – Saturday. Once a week you deliver a special weekly supplement paper in addition to your daily newspaper and you receive an additional .06 per paper delivered. Figure out how much money you will make each week.

**What will you need?**

Paper

Pencil

**How will you be evaluated?**

Newspaper Route Answer Sheet

**Supplemental Materials**
