

**Area**-Consumer Resource Management  
**Project**-Catalog Clothing Order/Buying on Credit

### **Standards**

SD FACS Standards

FCS 7.1.4

Apply consumer skills needed to purchase, create, and maintain clothing.

SD Mathematics Standards

Math 8.N.2.1

Students are able to read, write, and compute within any subset of rational numbers.

### **Project**

Students will use a JC Penny catalog to select a clothing item or items totaling between \$50.00 and \$100.00, correctly complete the mail & fax order form, and complete the "Cost of Credit" assignment.

### **What will you do?**

1. Students will complete a catalog order; calculate shipping and handling charges, and sales tax.
2. The purchase will be charge to a credit card.
3. Students will calculate periodic interest rate; determine the cost of credit, and the length of time it will take to pay for the purchase.

### **What will you need?**

JC Penny catalog

Copy of the mail & fax order form found in the catalog

Copy of the JC Penny credit card agreement found in the catalog

The "Cost of Credit" worksheet

Calculator

### **How will you be evaluated?**

Teacher-generated checklist for catalog order

Answer key for short answer/fill-in-the-blank questions on "Cost of Credit" worksheet

Teacher will check calculations on the chart.
