

Concessions Survey

As a class, create a survey to determine products to be sold at the tournament.

- *discuss past products, decide which ones should be listed on the survey
- *compile a list of at least 10 products not previously offered that could be possibilities
- *type the survey
- *decide to whom the survey will be distributed
- *distribute the survey
- *analyze results in assigned groups (to be determined after questions are written and results are gathered)

Grading Criteria

Survey includes most previously offered products	10 pts.
Survey includes at least 10 new products	10 pts.
Survey is typed and easy to read and understand	5 pts.
Group analysis of each question – rating the item on A scale of 1-10 (10 being high)	10 pts.
Total Possible	35 pts.
